# INSTITUTE FOR EDUCATIONAL ADVANCEMENT

## Fall Courses for 8<sup>th</sup>, 9<sup>th</sup> & 10<sup>th</sup> Graders

### Philosophy of Knowledge

Explore the nature, scope and sources of knowledge by grappling with questions such as

- Under what conditions does an individual know something?
- How is knowledge acquired?
- What do we know? How do we know what we know?

Various theories of epistemic justification will be studied, along with related concepts such as belief, truth, certainty, skepticism and naturalized epistemology.

### How We Think

Explore the mental processes through which we, as individuals, experience and make sense of the world. Topics to be covered include attention, perception, memory, judgment and decision making, problem solving and language.
